Thank You for Helping Build DEEKON®!

Thank you for continuing to share your insights with me and the DEEKON® team. Every DEEKON® product is purpose built for the end user." You, tactically minded enthusiasts and military & police professionals, have built the foundation of DEEKON®. We will never slow the pace of innovation; our team is hard at work on the pipeline of next generation tactical products.

What's Inside?

Our catalog contains nearly everything for army and police, including uniforms, backpacks & bags, tactical items, boots & shoes, bulletproof products, camping products, anti- riot products etc.

Our Mission

The mission of DEEKON® is to supply the best purpose build products for all the armies, polices government institutes and tactical enthusiasts. With more than 30 years' experience, our products are always the best choice for all kind of customers. As always, it is our honor to serve professionals and enthusiasts who share a mindset of personal responsibility preparedness and a willingness to act.

Battle Dress Uniform (BDU) SHIRT

Fatigues worn by troops, but DEEKON emulates that toughness in a comfortable, everyday style!

- » Durable, breathable Cotton, TC, CVC fabric
- » Reinforced elbows and arms for long-term wear
- » Flap pockets store mission essentials
- » Mission-ready 3-color Desert Camouflage
- » Adjustable cuffs

Battle Dress Uniform (BDU) PANT

- » Durable, breathable Cotton, TC, CVC fabric
- » Reinforced knees and seat for extra care in high-wear areas
- » 2 front slash, 2 rear and 2 cargo pockets with button flaps keep mission essentials handy
- » Side waist adjusters for a more personalized fit
- » Mission-ready 3-color desert Camouflage

Note:

We could make any color for the BDU, including all kind of camouflage: woodland, desert, digital, multi terrain, Tiger stripe, DPM, Splinter, etc.

BDU fabrics reach European standards and pass tests of colorfastness, tensile strength, breaking strength, shrinkage.

Following functions are available for BDU:

1. Flame retardant
2. Fire proof
3. Anti-infrared

Army Combat Uniform (ACU)

Use in a variety of environments, seasons, elevations, and light conditions.
